

## Congressional Campaign Internship Opportunity

Now that we're in the general election season, we're more eager than ever to get leaders to join us as we work to improve the lives of the people of the 34th Congressional District!

To qualify for our internship program students must be able to commit at least 10 hours a week to the campaign. We're happy to accommodate class schedules!

Interns will be taught the tactics employed by a modern political campaign. The program will be a great experience with a congressional campaign and an opportunity to display leadership skills and exhibit initiative.

**If you're interested in volunteering or interning, please email your completed application to [Jessica@yolieforcongress.com](mailto:Jessica@yolieforcongress.com).**
